**REGARDING PETITION FILED 20 AUGUST 2008**

Sir:

The referenced patent issued from U.S. Patent Application Serial No. 10/581,373 (the "373 application"), having a §371(c) date of 7 March 2008.

During the pendency of the '373 application, a Petition was filed with the Office of Petitions under a Certificate of Transmission under §1.8 on 20 August 2008. The Petition was filed under 37 C.F.R. §1.48 to amend the spelling of the family name of the sole heir and legal representative of the deceased inventor Mikhail Tselner in connection with the '373 application.

After a full year, a decision on the Petition has not been rendered or received. A copy of the Petition appears in the Image File Wrapper of PAIR. Therefore, the Office is and has been in possession of the Petition. While the Petition continues to languish in the Office, the '373 application issued as US 7,572,330 on 11 August 2009.

The status of the Petition is requested. Alternatively, favorable action on the Petition and the issuance of a Certificate of Correction is requested. To expedite the process, a Certificate of Correction showing the requested spelling of the legal representative's name is submitted herewith.

The Commissioner is hereby authorized to charge Deposit Account No. 23-1703 for any fees which may be required in connection with this communication.

Dated: 25 August 2009

Respectfully submitted,

/John M. Genova/
